The meeting was called to order at 7:06. It was opened with a devotional and prayer led by Dave Walton.

Budget

The renovations have been completed, aside from the backlighting of the cross and some trim.

Mike requested that the holes along the back wall be filled.

The work has been paid for. There is about \$3,500 left over from the renovations.

Some suggestions have been made for using the leftover funds

- Address lighting and paint in the bathrooms.
- It was also suggested that we look into new chairs. Pricing for 140 new ones would cost 7500 (\$52 a piece)
- The church sign (\$10,000)- it is the only tie we have to the main road.

We will be looking foremost into updating the sign. For the time being, we will plan to clean the chairs during the work day and look into upgrading them later.

Amanda will reach out to a contact about upgrading the sign and report back.

New Business

Cleaning day will be April 29th. On the agenda will be cleaning the chairs, cleaning out the portables, general cleaning, removing the ramp, and repairing the stairs for the first and second portables.

Shawn updated us on the March 7th meeting for Crosswalk. The meeting was attended by a handful of members from the church. There was not anyone from outside of the church in attendance. The quote for the needed kitchen update went from 25k to 57k. Shawn will be in contact with Rick Todd and keep the team informed on possible solutions and next steps.

Charlotte Church
of Christ

The team plans to approach some individuals on forming a planning team for funerals. This team will create the standard operating procedure to pass off to a funeral committee that will be formed later.
