Budget

Amy presented the budget report. There were no new matters to bring to the discussion.

Old Business

- A recap of the camping event was discussed
 - Ease of location
 - Good balance of activities and downtime
 - Positive response
 - Looking at having a better focus on expanding into the community next year
 - If possible, an earlier date was requested by some members. With regularly scheduled events at the fairgrounds, we may be 'stuck' with these dates.
 - One thing to improve upon is meal planning- a thought would be to assign a hearts group to plan a meal

New Business

- **Calendar Updates**
 - The date for the next Congregational meeting will be on January 21st.
 - Scott Austin, from His House, is looking to broaden our relationship with them. He will be presenting on December 3rd ways that we can support them.
 - December 3rd, Heather Bibler will be hosting a Christmas card-making event after the service
 - IDES is sharing its program on church security on Saturday, January 13th. This will be open to the public.
 - Lake James Men's Retreat is on January 26th and 27th. The cost is \$65 per person

- Women's retreat at Lake James in April. People from IDES and FAME will be there.
- The company we contacted about chairs last year reached out with an offer. The chairs we were looking at have lowered their cost from \$52 to \$47 a chair. The cost to replace all we have would be \$130. We may not need to replace at our current capacity.
 - Dave Walton motioned that we get two chairs at the \$47. The discussion was opened. No further discussion was needed. Mike Tanner seconded the motion. The team voted and it was unanimously carried.
- Luke updated the team on the first Youth Group meeting last night. Luke gave an overview of himself and what the group would look like. Next week he will share his testimony. From there, the youth voted to open a study in Genesis. Volunteers would be appreciated.
